Remarks

Discover the charm of this stunning 2800 sq ft end unit! The open-concept design highlights a kitchen that impresses with its stainless steel appliances and scenic views of the generous patio and open areas. The modern kitchen with granite countertops and a breakfast bar is open into the living and dining room. The focal point is a new floor to ceiling stone built-in modern electric fireplace. Also on the first floor, you'll find a welcoming 2-story foyer and a den or home office. For convenience there's a remodeled powder room, and a spacious 2-car garage. Upstairs is an 11x17 loft area which offers an ideal space for a home office, study or family room. The master suite serves as a serene sanctuary, boasting tray ceilings, ensuite bathroom with a luxurious soaking tub, and a spacious walk-in closet. Two additional bedrooms, both generously sized, provide plenty of room. All 3 bedrooms have a walk-in closet. All the bedrooms and the loft area have newer, neutral carpeting. The hall bath has been remodeled with ceramic tile. The second floor also features a convenient laundry room. The lower level is perfect for working out or relaxing. The new I VP flooring makes the space versatile. Recently a powder room has been added to the lower level to make life easy. What a great location!
